

## WIN WIN Gothenburg Sustainability Award are looking for volunteers

WIN WIN Award are looking for 6 volunteers to assist as entrance hosts during the WIN WIN Youth Arena (21 October) and the annual WIN WIN Award Ceremony (22 October) in Gothenburg.

### **Entrance host tasks**

As an entrance host, you will welcome guests, check them in, inform them about the program and remind them to keep the distance between them to and inform them about the program. You can choose to participate one or two days.

### **We see that you:**

- speak Swedish and English,
- are comfortable interacting and communicating with people,
- have an interest in sustainability,
- are responsible and respectful towards others.

No financial compensation will be paid, but as a volunteer you will benefit from receiving a goodie bag, get the opportunity to network with people from the sustainability field and other students.

Send your application by 30 September to our project manager  
Lovisa Ralpher: [lovisa.ralpher@chalmers.se](mailto:lovisa.ralpher@chalmers.se)

### **WIN WIN Gothenburg Sustainability Award**

The world's leading sustainability award aims to recognize and support outstanding contributions from around the world and has been presented in Gothenburg since 2000. Our goal is to stimulate creativity and achieve lasting synergies as we strive to strike the right balance between ecological, environmental and social needs. This year the theme is biodiversity.
